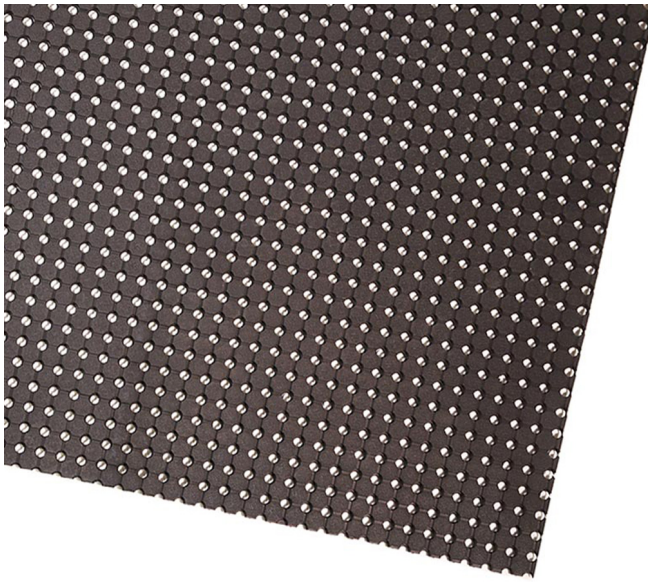
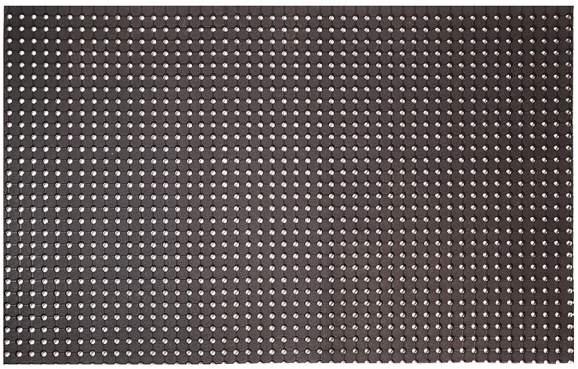
Multi-Purpose Runner

The perfect drainage mat with excellent anti-fatigue properties.





Description

The Mat WorldMulti-Purpose Runneris a low profile drainage mat featuring a one-piece construction. The Multi-Purpose Runner is the perfect solution for any wet production area where water is likely to be a problem, such as machine shops, industrial workstations, bars, and print shops, pot-wash areas, and ute trays, to name but a few.

OurMulti-PurposeRunner is a fatigue prevention mat ideal for reducing the stress and strain of standing up for long periods. Whether your employees work in the pot-wash area of your restaurant, they're on their feet in a busy bar, or they stand for hours on end on a production line, our Multi-Purpose Runner fatigue mat offers welcome comfort and support.
