

Spiral Loop Mat - Unbacked

Eyecatching, functional and comfortable - the whole package.

Description

Spiral Loop Unbacked Mat is a vinyl loop mat available in both backed and unbacked styles. The vinyl loops of this mat are very resilient and extremely comfortable to walk on, even with bare feet. The textured cushioned surface actively helps prevent slips.

Constructed in a random mesh pattern, the Mat's loops let dirt and water pass through while the mat surface stays clean.

KEY FEATURES

- This high quality mat dries extremely quickly
- Anti-bacterial agent resists mildew in moist areas
- Ideal for recesses
- Easy to clean - just shake out or hose off and allow to air dry
- Perfect next to sand pits as the sand will fall through
- Suitable for home pools to protect little feet against the heat
- Can be edged as required

Perfect for:

Swimming Pool Surrounds, Aquatic Centres, Showers, Locker Rooms, Baths, Marine areas and childcare centres
