

3M Nomad Entrance Matting - Aqua Series 65

Description

Developed and refined over 30 years, the dual-fibre loop system traps dirt and moisture more effectively than conventional matting. And it goes on working harder for longer too, providing lasting protection for your floors.

- Superior fine dirt and moisture removal
- Dual fibre loop pile, arranged in checked pattern to hide dirt
- Excellent appearance retention
- Suited to foot traffic from 500 to 1500 crossings per day
- Phthalate-free, slip-resistant PVC backing
- Long lasting and easy to clean
- Available as free standing mats and in rolls

Benefits

Slip Resistance, Hi Traffic, Suitable for Dry Areas
