

3M Nomad Entrance Matting - Aqua Series 85

Description

Developed and refined over 30 years, the dual-fibre loop system traps dirt and moisture more effectively than conventional matting. And it goes on working harder for longer too, providing lasting protection for your floors.

- Superior fine dirt and moisture removal
- Dual fibre loop pile, arranged in pattern to hide dirt
- Excellent durability made from Polyamid 6 with PVC backing (7.5mm thick)
- Suited to foot traffic from 1500 to 5000 crossings per day
- Easy to clean, simply vacuum, sweep, hose down
- Custom sizes available with bevelled edges
- Also available in rolls
- Suitable in wet and dry areas
