

SmartGrip Mat Roll

Description

Designed for Supermarkets and other indoor environments where floor and slip protection is required. The SmartGrip Mat Roll sticks to the floor using a light adhesive backing that leaves no residue. This prevents the mat from any movement. It can handle cleaning devices and trolleys and is designed to be in use for 3-4 months before being disposed of and replaced, if required.

- High Traction mat surface provides safe walking surface
- Tacki-back adhesive system keeps mats flat and in place - even with wheelchair, cart and buggy traffic; low profile surface reduces tripping hazard
- Moisture barrier keeps liquids from soaking through to the floor
- Quick and easy to install; cut individual mats from roll
- Designed to perform well for 12 weeks under normal use
- Recommended for commercial use on hard floor surfaces, to prevent slips, trips, and falls caused by wet floors.
