

Lift Mats

Description

We have been making Lift Mats for commercial and residential buildings for more than 30 years in Australia. Lift mats are a popular floor protection solution, that can be custom made to compliment the look and style of your building, or increase brand awareness by including a logo or message.

We have two main styles of lift matting available for this purpose. Both options are available in a range of colours and can include a logo if required.

Heavy Duty Supernop Lift Mat

- Heavy-duty, stain resistant, colourfast carpet
- Textured pattern helps to remove dirt and moisture from footwear
- Made to measure
- Logo Inlay can be included

Plush Printed Lift Mat

- Printed nylon carpet top logo mat
- Multi-colour print (Up to 25 colours per design, PMS matching available)
- Made to measure

Lift mats are made to measure and available with or without a rubber edging. Our installation team can install these mats if required.
