

Tough Comfort Standing Desk Mat

Description

Tough Comfort Standing Desk Mats provide workers with a comfortable, healthy alternative to sitting throughout their workday, minimizing the negative effects on the body associated with sitting for long periods of time.

- Polyurethane cushion runs edge-to-edge and provides excellent anti-fatigue properties to alleviate pain from extended standing
- PET fabric surface is permanently bonded to a durable rubber layer that makes the mat resistant to punctures from high heels
- Features bevelled edges, providing a seamless transition from floor to mat; edges will not crack or curl
- Is naturally stain resistant, making it easy to remove stains from the mat
- PET fabric surface is made from 90% recycled content reclaimed from plastic
- Easy to clean just vacuum, hose off and hang to dry
