

DeskWindo® Series 5 Counter Mat

Description

Designed for point-of-sale situations.

With no more messy paper taped to the counter or worn out mats, the DeskWindo® Counter Mat Poster Display is an ultra-thin poster display that lies snug on the counter surface.

There's a reason why the world's leading brands and retailers choose Windo® display products for their in-store promotions. Years of experience and feedback from loyal customers have taught us that a counter mat should never be an obstacle for you or your customer.

Key Features and Benefits:

- Min Order 10
- Stiffer redesigned construction allows for easy handling and storage
- Ultra-thin and sleek design
- Maximum impact without compromising the surface area
- Strong, durable, anti-slip features
- The windows curved edge allows groceries, bags, boxes and other items to gently slide over the DeskWindo® with ease
- PET (Polyethylene Terephthalate) cover is a clear, strong, and lightweight plastic that is widely used for packaging foods and beverages, especially convenience-sized soft drinks, juices and water
- SEBS (Styrene Ethylene Butylene Styrene) backing has heat stability, weather resistance and oil resistance

Recommended For:
