

Designa Vinyl Architectural Mat Tiles

A premium flooring solution without the premium price tag.

Description

Elegant and modern, Mat World's Designa Vinyl Architectural Mats are the perfect flooring solution for architectural specification. Based on black vinyl treads, our premium Designa Vinyl Architectural Mats are much lighter and more versatile than aluminium frames. While flexible, they will not buckle or bend through heavy use, are quick and easy to assemble, and are a premium flooring solution at an economical price point.
