

Multiguard Mat

The perfect mat for external entrances with anti-fatigue properties.

Description

Multiguard Mat boasts a range of intuitive design features, including flexible rubber fingers that scrape shoes and trap dirt. As well as preventing damage to inside floors, these rubber fingers provide anti-fatigue resilience and the rubber under surface also prevents the mat from slipping.

KEY FEATURES

- Unique design
- Beveled edging that helps to prevent controls trips
- Easy to keep clean via a simple shake or hosing.
- Can be filled with disinfectant to ensure soles of shoes walking over the mat are disinfected and cleaned
- Ideal for rural and farm environments for infection control
