

24/Seven Interlocking Rubber Mat - Solid

The modular mat that does it all - and then some.

Description

An interlocking mat made from a nitrile based rubber and suitable for wet or dry environments, our top-class 24/seven interlocking rubber Solid mat is a unique flooring solution.

While there are many mats on the market that offer drainage holes to channel falling liquids, few products incorporate all the other advantages of regular floor mats into the one product. Mat World's versatile Cushion Foot Solid mat does just that.

KEY FEATURE

- Grease resistant rubber and is less effected by oils and greases
- Edging ramps available to suit all purposes
- Incorporates all the other advantages of regular mats

For easy online ordering and fast delivery Australia wide. Click below to order through our online store now.
