

24/Seven Interlocking Rubber Mat - Holes

A top of the range anti-fatigue solution.

Description

The 24/Seven Interlocking Rubber Mat - Holes from Mat World is an all-purpose mat that drains falling liquids. Made with drainage holes, this interlocking matting is suited to wet areas where custom sizes may be required. This exceptional value mat is conveniently sized for workstations at 900mm x 900mm, but it is also designed to comfortably fit large custom sized areas. Its hidden interlocking system connects on all four sides creating large mats without additional connectors.
