

Diamond Plate Gel Mat

A soft underfoot yet resilient premium mat, with excellent fatigue-fighting qualities.

Description

Mat World's premium Diamond Plate Gel anti-fatigue mat has been designed to cater to industrial areas where mats must deliver both safety and foot comfort. Our Diamond Plate Gel Anti-Fatigue Mat is designed to prevent slips, falls, strains and sprains in the workplace while improving both productivity and safety in production areas, on assembly lines or at work stations.

KEY FEATURES

- Rugged, durable, and boasting a 4mm vinyl skin surface
- An embossed diamond pattern that actively prevents slips
- Top surface bonded to 12mm buoyant EVA non-slip backing
- Features bright, built-in yellow borders along both edges that are also beveled to reduce the chance of trips
- Has a unique, bonded, slip resisting EVA underlay as standard, that minimises mat movement
