

Sparksafe Welding Mat

A safety must-have for welders.

Description

Mat World's sturdy Spark Safe Welding Mat is designed for use in welding areas, where safety is critical. The thick surface of this rugged anti-fatigue mat helps to repel sparks and hot metal shards that result from welding work.

KEY FEATURES:

- Offers extra durability in heavy use situations
- Super resilient Nitricell sponge base - a PVC/Nitrile rubber blend offering immediate rebound
- Spark resistant top surface to give a safe traction environment
- Gives unparalleled support and comfort during long, strenuous shifts.
