

Safety Grip Solid Mat

A high performance industrial mat for when safety matters.

Description

The Mat World Safety Grip Solid Mat is the heaviest duty industrial mat designed in an open grid pattern of solid squares with PVC rods allowing spills and debris to pass through.

Highly slip resistant, this premium mat features a diamond-tread surface texture on top and bottom that ensures that safety is the priority.

Designed to offer a level of chemical, oil and acid resistance, our Safety Grip Solid mats have plastic strips welded to each other at right angles to deliver superior draining combined with anti-fatigue properties.
